A. D. Burton, alias Dr. Samuel Burton, alias Russell Wells, who was deported last week in Meriden for impersonating a United States officer, made an attempt to work his confidence game in this city. It became known Monday about three weeks ago he came to Willimantic and put up at a hotel and deposited some money in one of the local banks. Some of the money was taken from him by his plans for he soon left for Meriden.

At Meriden Wells claims he was trying to get over a \$100,000 job. It is his plan to enter a city posing as an oil magnate, a physician, or as a United States officer interested in building camps for disabled soldiers. He deposits a sum of money in a local bank establishing his credit and then proceeds to raise money for his project. When money comes in and the bonds are turned over to another party Wells and his friends depart from the city. In trying this game at Meriden he was nabbed by the officers.

Wells stated that he was at the head of thirty-five men who worked the confidence game in many sections of this country and Canada. He is wanted on various charges in many cities here and across the border. Wells is to be prosecuted by Chief William B. Allen, charged with impersonating a government officer and for evading the draft.

Following the arrest of Wells, James J. Lee of Willimantic who is connected with the United States Bureau of Investigation went to Meriden and identified Wells as Dr. Samuel Burton. Mr. Lee is now following up the work of Burton in this city, to learn if any local persons suffered through the game worked by Burton. It is known that Burton was in Killingly at one time and he may have tried his game in other cities around this vicinity.

Twenty-one arrests were made by the local police during June, according to the report of Chief of Police Daniel J. Kilmer, as follows: Drunkenness, 4; breach of peace, 2; indecent exposure, 1; violation of city ordinance, 1; carrying goods under false pretenses, 1; suspicious person, 1; breaking and entering, 1; receiving stolen goods, 2; drunk and belligerent, 2; theft, 1.

These cases were disposed of as follows: Committed to jail, 4; released by chief, 17; fined, 1; paid fines and costs, 1.

WESTERLY

Joseph Savona of the West Side was brought before Judge Oliver H. Williams at a special session of the Third district court Monday afternoon, charged with assault and battery on the person of Tony Sylvester. The alleged assault occurred Monday morning at Savona's barber shop on High street. Sylvester is a carpenter and had made and hung two screen doors for Savona. The bill came to \$12.50, and when complainant went to collect his money it was refused. Savona hit him and knocked him down. Savona was found guilty and fined \$15 and costs, amounting to \$18.60.

According to a letter received from a sergeant of the fifth company, R. I. N. G., of Westerly, the outfit had a narrow escape from serious injury Sunday on their trip from Westerly to Saunderson. The roads were wet and slippery on the way down, and about five miles from Narragansett Pier the truck which was carrying the men slipped and overturned. All were thrown out into the wet road, but from all reports no one was hurt, and the remainder of the journey was made in another truck that had to be sent for.

A rubbish fire broke out Monday morning on the vacant Cottrell lot on Newton avenue. It is said that one of the neighbors dumped two barrels of paper trash early in the morning and set fire to them. The blaze spread quickly over considerable space, but residents of the section hurried to the place and were able to extinguish the fire without calling out the fire department.

The gray wolf has again made its appearance in the vicinity of the alarm clock. It was given out by Sup't. Ed. Gavitt of Wilcox park. The insect was found on Moss street by Inspector Ahern, and a clothes line was set up to keep it at bay. Several years ago the brown rat moth was wiped out by interested persons.

Water B. 10th of Hartford was the guest of his mother on Norwich avenue over Sunday. Lewis Freeman and party motored to Norwich Saturday.

Leroy Lewis of Hartford is the guest of his father on South Main street for the summer. The case of the state vs. Niedle for alleged sale of moonshine was tried before Judge Abell Friday. He was found guilty and was sentenced to pay a fine of \$500 which was furnished by Mr. Kaplan.

Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarette aftertaste.

It's Camels for you.
